## SECTION I: Sport Finance Trends and Challenges

---

### **Chapter 1: The Changing and Challenging Economic Environment 3**

Boom Years: The 1990s and the Early Millennium Years . . . . .	3
Impact of the Great Recession . . . . .	4
The Contemporary Environment. . . . .	8
Competition from Other Entertainment . . . . .	9
Globalization. . . . .	15
Sport Managers as Entrepreneurs. . . . .	26
Organization of the Book . . . . .	27
Summary . . . . .	29

### **Chapter 2: Challenges Facing College Sports 33**

The Financial Status of Intercollegiate Athletics . . . . .	33
The Organization of College Sports . . . . .	33
Participation Patterns for Men and Women. . . . .	35
Grim Financial Realities. . . . .	39
Rich Get Richer . . . . .	39
Era of Public Disinvestment in Higher Education. . . . .	43
Mandatory Student Athletic Fees . . . . .	45
Uneven Revenue Growth . . . . .	48
The Struggle to Control Costs and Spending . . . . .	51
Uncontrollable Costs . . . . .	52
Controllable Costs: Uncontrollable Spending . . . . .	53
Reform Efforts . . . . .	66
The Impact of Title IX . . . . .	68
Summary . . . . .	70

### **Chapter 3: Challenges Facing Professional Sports 77**

Growth of Professional Sports . . . . .	78
Major Leagues . . . . .	78
Minor Leagues . . . . .	79
Status of Women's Professional Sports Leagues. . . . .	84
Other Prominent Sports Properties . . . . .	88
The Current State of Professional Sports . . . . .	90
Here Comes Major League Soccer . . . . .	97
Team Financial Statements . . . . .	100
Collective Bargaining Agreements. . . . .	104
Creative Accounting. . . . .	120
Roster Depreciation Allowance . . . . .	121
Franchise Appreciation . . . . .	123
Drivers of Franchise Values . . . . .	124
Summary . . . . .	127

**Chapter 4: Trends in Sport Facility Financing** **133**

Sports Facility Boom . . . . . 133  
    Measurement Challenges . . . . . 136  
    Description of the Trend Tables . . . . . 144  
The Evolution of Facility Funding . . . . . 145  
Who Pays and How Much? . . . . . 149  
    Cost sharing Trends for Arenas . . . . . 150  
    Cost Sharing Trends for Stadiums . . . . . 151  
Factors Contributing to Increased Team/Owner Investment in  
Major League Facilities . . . . . 154  
    The Equity Issue . . . . . 157  
Factors Contributing to Continuing Public Subsidies . . . . . 161  
    Owner Leverage . . . . . 161  
    The Community Power Structure . . . . . 166  
The Rationale for Public Subsidy . . . . . 173  
    Trends in the Minor Leagues . . . . . 175  
    Trends in Colleges . . . . . 176  
Summary . . . . . 177

---

SECTION II: Economic Rationale for Public Investment in Sport Venues

---

**Chapter 5: Principles of Economic Impact Analysis** **183**

The Rationale for Economic Impact Analysis . . . . . 184  
A Study's Sponsors Expect to Get What They Pay For . . . . . 187  
The Fundamental Principles of Economic  
Impact Studies . . . . . 190  
    Accurate Participation Numbers . . . . . 190  
    Exclusion of Local Residents and Local Sources of Funds . . . . . 191  
    Spurious Rationales . . . . . 194  
    Exclusion of Time Switchers and Casuals . . . . . 197  
Use and Abuse of Multipliers . . . . . 199  
    The Multiplier Concept . . . . . 200  
    Constituent Elements of a Multiplier . . . . . 202  
    Operationalization of Multiplier . . . . . 203  
    Influence of a Community's Size and Business Structure on Multipliers . . . . . 204  
Interpreting Sales and Income Multipliers . . . . . 207  
Interpreting Employment Multipliers . . . . . 208  
Implications of Abusing the Fundamental Principles of Economic Impact Analysis . . . . . 209  
    Mischievously Expanding the Project Scope . . . . . 216  
The Magnitude of Economic Impact from Sport Projects . . . . . 217  
    Professional Sport Franchises . . . . . 217  
    Mega Sports Events . . . . . 221  
    Community Sports Tournaments . . . . . 222  
Summary . . . . . 223

**Chapter 6: Costs: The Rest of the Economic Impact Story** **227**

The Concept of Opportunity Costs . . . . .	230
Explicit Opportunity Costs . . . . .	234
Event Costs . . . . .	234
Land and Infrastructure Costs . . . . .	238
Omission of Interest Costs . . . . .	241
Operation and Maintenance Costs . . . . .	242
Implicit Opportunity Costs . . . . .	244
Uneven Distribution of Social Costs . . . . .	244
Foregone Property Taxes . . . . .	248
Strategic Underestimation of Capital Costs and/or Overestimation of Revenue Streams . . . . .	248
Displacement Costs. . . . .	254
Replacement Costs . . . . .	258
External Society-Wide Opportunity Cost . . . . .	259
Summary . . . . .	263

**Chapter 7: The Long-Term Legacy Rationales for Public Subsidy**

Proximate Economic Development . . . . .	270
The Principle of Cumulative Attraction . . . . .	271
Rejuvenation through Mega Events . . . . .	275
Integration: A Key to Effective Rejuvenation . . . . .	279
Enhancing Social Capital . . . . .	281
Building a Community's Brand . . . . .	282
Attracting Tourists . . . . .	285
Job Creation in the Non-Tourist Sectors . . . . .	288
Community Pride . . . . .	289
Social Cohesion . . . . .	291
Summary . . . . .	301

---

**SECTION III: Primary Sources of Capital Funding**

---

**Chapter 8: Sources of Public Sector Funding** **309**

General Taxes . . . . .	310
Property Tax . . . . .	310
General Sales Tax . . . . .	317
The Regressive Nature of General Taxes. . . . .	318
Selective Taxes . . . . .	320
Tourist Taxes. . . . .	320
Sin Taxes . . . . .	323
Jersey Tax . . . . .	324
Player Income Tax . . . . .	324
Game-Day Surcharges . . . . .	327
Debt Financing Principles . . . . .	328
Equitability of Debt Financing . . . . .	328
Explanation of Bonds . . . . .	329
<i>Mechanics of Selling Bonds</i> . . . . .	333
The Use of Tax Exempt Bonds . . . . .	335
Full-Faith and Credit Obligations . . . . .	340

General Obligation Bonds . . . . .	340
Certificates of Obligation . . . . .	343
<b>Non-Guaranteed Debt . . . . .</b>	<b>344</b>
Revenue Bonds . . . . .	344
Certificates of Participation . . . . .	349
Tax-Increment Financing Bonds. . . . .	352
Asset-Backed Securities. . . . .	359
Summary . . . . .	362

## **Chapter 9: Implementation of Public-Private Partnerships (P3s)**

<b>Challenges in Facilitating Public-Private Partnerships . . . . .</b>	<b>368</b>
Reconciling Value Systems . . . . .	368
The Unfair Competition Issue. . . . .	370
<b>The Complementary Assets of Public Entities and Sport Enterprises . . . . .</b>	<b>376</b>
Public Sector Assets . . . . .	376
Private Sector Assets . . . . .	382
<b>Public-Private Partnership Models . . . . .</b>	<b>388</b>
Public Sector Leasing . . . . .	388
Leaseback from the Private Sector . . . . .	394
Public Sector Takeovers. . . . .	397
Private Sector Pump Priming . . . . .	401
Public Sector Pump Priming . . . . .	402
<b>Effective Management and Oversight of P3s . . . . .</b>	<b>403</b>
Summary . . . . .	404

## **Chapter 10: Revenue Sources from Sports Venues 407**

<b>Introduction . . . . .</b>	<b>407</b>
<b>Premium Seating . . . . .</b>	<b>408</b>
High Yield Inventory . . . . .	410
Filling a Niche: New Premium Seating Products . . . . .	416
<b>Personal Seating Licenses . . . . .</b>	<b>420</b>
The Growth and Magnitude of Seat License Programs . . . . .	420
Team Financed Venues Raise the Stakes . . . . .	422
How PSLs Work . . . . .	426
<b>Naming Rights . . . . .</b>	<b>430</b>
Professional Sport Venues. . . . .	430
The Growing Value of Naming Rights Agreements . . . . .	432
College Sport Venue Naming Rights . . . . .	440
High School Venue Naming Rights . . . . .	443
Why Companies Buy Naming Rights . . . . .	444
The Potential for Controversy . . . . .	446
Key Elements of Naming Rights Agreements . . . . .	447
The Impact of Failed Naming Rights Partners . . . . .	450
Summary . . . . .	451

## **Chapter 11: Ticket Sales and Operations 457**

<b>Introduction . . . . .</b>	<b>457</b>
<b>The Challenge . . . . .</b>	<b>460</b>
<b>The Evolution of Ticketing . . . . .</b>	<b>460</b>

Ticketing Moves into the Electronic Age . . . . .	463
Ticket Sales Process . . . . .	467
Pricing Tactics: Moving from Cost Recovery to Demand-Oriented Focus . . . . .	471
Customer Relationship Management . . . . .	475
Summary . . . . .	477
<b>Chapter 12: Commercializing Media Rights</b>	<b>479</b>
Ratings and Market Shares . . . . .	481
The Concept of Total Returns . . . . .	485
Sports Media Distribution Channels . . . . .	486
National Broadcast and Cable Networks . . . . .	486
Regional Sports Networks . . . . .	487
Digital Media: Broadband, Wireless and Tablets . . . . .	489
Syndicators . . . . .	491
Radio Broadcasting. . . . .	491
Negotiating and Managing Broadcast Rights . . . . .	491
Direct Sale of Rights . . . . .	492
In-House Production . . . . .	493
Revenue Sharing . . . . .	493
Major Sport Properties Media Contracts . . . . .	494
National Football League . . . . .	494
Major League Baseball . . . . .	495
National Basketball Association . . . . .	496
National Hockey League . . . . .	497
NASCAR . . . . .	497
National College Athletic Association . . . . .	498
The Olympic Games . . . . .	499
Golf and Tennis . . . . .	499
Boxing & Mixed Martial Arts . . . . .	500
Soccer & International Sports . . . . .	501
Changes in Sports Media Consumption . . . . .	501
Summary . . . . .	502
<b>Chapter 13: Sale of Licensed Merchandise</b>	<b>505</b>
Introduction . . . . .	505
Licensing Basics . . . . .	507
The Licensing Process . . . . .	509
Collegiate Licensing . . . . .	510
Professional Sports League Licensing . . . . .	511
Licensing Administration Models . . . . .	513
Professional League . . . . .	513
Collegiate Licensing . . . . .	513
Administration and Oversight . . . . .	515
Contracts . . . . .	516
Enforcement . . . . .	518
Labeling . . . . .	518
Customs . . . . .	518
Venue Sales . . . . .	518
Retail v. Swap Meet . . . . .	519
Online Counterfeiting . . . . .	519

Corporate Social Responsibility . . . . .	520
Growth and Trends . . . . .	521
Summary . . . . .	522
<b>Chapter 14: Sponsorships</b>	<b>539</b>
The Special Strength of Sponsorship . . . . .	541
The Sponsorship Exchange . . . . .	542
Evolution of Sport Sponsorship . . . . .	544
Activation: The Contemporary Strategy . . . . .	546
Expansion of Sport Sponsorship Contexts . . . . .	548
Relating Sponsorship Benefits to the Purchase Decision Process . . . . .	548
Brand Awareness, Brand Image and Corporate Social Responsibility:	
The Components of Brand Equity . . . . .	550
The Brand Equity Concept . . . . .	550
The Dual Roles of Brand Awareness . . . . .	553
The Fit between a Sport Property and a Sponsor's Brand . . . . .	554
Primary Strategies for Resolving Non-Congruency . . . . .	557
Contexts in Which Brand Image Is a Priority . . . . .	558
Corporate Social Responsibility . . . . .	562
Other Benefits Sought from Sponsorships . . . . .	565
Demonstration Platform . . . . .	565
Hospitality Opportunities . . . . .	567
Product Trial and Sales Opportunities . . . . .	570
Enhancing Employee Morale . . . . .	571
Measuring the Impact of Sponsorship . . . . .	572
Cognitive Measures . . . . .	572
Measuring Affect: The Emotional Connection . . . . .	577
Measuring Behavioral Outcomes . . . . .	579
Summary . . . . .	581
<b>Chapter 15: Acquiring Donations</b>	<b>587</b>
The Role of Tax Rules in Differentiating Donations from Sponsorships . . . . .	588
The Importance of Donations in College Athletics . . . . .	589
Annual Gift Programs . . . . .	591
The Benefit of Athletic Donations to an Institution . . . . .	591
Institutional Control of Athletic Support Groups . . . . .	592
Approaches to the Organization and Operations of Athletic Supporter Groups . . . . .	593
The Point System . . . . .	594
Major Gift Programs . . . . .	597
Outright Gifts . . . . .	599
Matching Gifts . . . . .	599
Deferred or Planned Gifts . . . . .	600
A Systematic Approach to Major Gift Solicitation . . . . .	600
Summary . . . . .	602
Index . . . . .	605
About the Authors . . . . .	???

## List of Exhibits

### Chapter 1: The Changing and Challenging Economic Environment

Exhibit 1.1 Corporate Sponsorship Investments in Sport in North America . . . . .	5
Exhibit 1.2 Sporting Goods Sales by Product Category: 1990-2015. . . . .	5
Exhibit 1.3 Aggregate Attendances at Four Major U.S. Sports Leagues, 2007-2015 . . . . .	7
Exhibit 1.4 Announced Attendance Does Not Report on How Many Attend a Game . . . . .	7
Exhibit 1.5 National Cable Sports Networks Distribution. . . . .	10
Exhibit 1.6 Bobcat Tickets for a Buck . . . . .	15
Exhibit 1.7 Growth of Foreign Media Rights Income Accruing to the English Premier League . . . . .	16
Exhibit 1.8 Soccer Clubs Reporting the Largest Revenues in the 1996-97 and 2015-16 Seasons. . . . .	17
Exhibit 1.9 The Indian Cricket and Soccer Leagues and the International Tennis League as Examples of Sports Entrepreneurship . . . . .	17
Exhibit 1.10 Rapid Development of Soccer in China . . . . .	20
Exhibit 1.11 Why the Fenway Group Bought the English Premier League's Liverpool Football Club . . . . .	23
Exhibit 1.12 Manchester United's Extensive Network of Commercial Partners . . . . .	24
Exhibit 1.13 Sources of Finance for Sport . . . . .	27

### Chapter 2: Challenges Facing College Sports

Exhibit 2.1 NCAA Membership by Division . . . . .	34
Exhibit 2.2 Scholarship Limits by Sport for Men and Women, by NCAA Divisions . . . . .	36
Exhibit 2.3 Sports Participation by Gender, Division . . . . .	37
Exhibit 2.4 Median (and Range) 2015 Revenues and Expenses for Division I Institutions by Subdivision . . . . .	40
Exhibit 2.5 2014 Revenues and Expenses by Quartile, Division I – FBS Median Values. . . . .	40
Exhibit 2.6 Revenue and Expenses Comparison of Power Five and Group of Five Conferences. . . . .	41
Exhibit 2.7 Sources of Revenue by Quartile, Division I –FBS Fiscal Year 2014. . . . .	42
Exhibit 2.8 Hefty Subsidies Required for All but One Athletic Program in Tennessee . . . . .	44
Exhibit 2.9 Total Generated Revenues 2004–2014 Division I Median Values. . . . .	49

Exhibit 2.10 Sources of Revenues, Division I – FBS Fiscal Year 2014 . . . . .	49
Exhibit 2.11 Total Generated Revenues and Expenses by Sport, Division I – FBS Fiscal Year 2014 . . . . .	54
Exhibit 2.12 Financing Cal's Football Stadium: A Cautionary Tale . . . . .	62
Exhibit 2.13 Impact of 2017 Tax Bill (The Tax Cuts and Jobs Act) on College Sports . . . . .	73

### Chapter 3: Challenges Facing Professional Sports

Exhibit 3.1 Minor Leagues in North America . . . . .	80
Exhibit 3.2 Minor League Baseball Attendance: 2016 vs. 1989 . . . . .	81
Exhibit 3.3 Current Status of Major League Professional Sports . . . . .	91
Exhibit 3.4 Key Financial Performance Indicators of the Four Major Professional Sports Leagues (2016) . . . . .	91
Exhibit 3.5 Soaring NBA Revenues. . . . .	94
Exhibit 3.6 Here Comes the MLS . . . . .	98
Exhibit 3.7 Florida Marlins Consolidated Statement of Operations . . . . .	101
Exhibit 3.8 Green Bay Packers Financials . . . . .	103
Exhibit 3.9 Sample NFL Player Contract . . . . .	109
Exhibit 3.10 Major Income Sources Constituting Basketball-Related Income (BRI) . . . . .	111
Exhibit 3.11 Comparing Value of Bird vs. Non-Bird Contracts . . . . .	112
Exhibit 3.12 Maximum NBA Player Salaries . . . . .	112
Exhibit 3.13 NBA Luxury Tax Rates. . . . .	114
Exhibit 3.14 MLB Revenue Sharing Allocations 2012-2015 . . . . .	117
Exhibit 3.15 Skyrocketing Franchise Appreciation Values, Average League Values, 2007-2016 . . . . .	123

### Chapter 4: Trends in Sport Facility Financing

Exhibit 4.1 Elements in a State-of-the-Art Facility . . . . .	134
Exhibit 4.2 Total Capital Investment and Public Share of Major League Sports Facilities 1990-2017, in Millions, January 2017 US Dollars . . . . .	137
Exhibit 4.3 Historical and Inflation Adjusted Costs for STADIUMS 1990-2017, in Millions, Jan. 2017 U.S. Dollars. . . . .	138

Exhibit 4.4 Historical and Inflation Adjusted Costs for ARENAS 1990-2017, in Millions, Jan. 2017 U.S. Dollars . . . . .	141
Exhibit 4.5 A Tale of Two Teams . . . . .	154
Exhibit 4.6 Barclay's Center Arena . . . . .	156
Exhibit 4.7 An Illustration of Taxpayers Creating Wealth for Professional Sport Team Owners . . . . .	158
Exhibit 4.8 The Dodgers Move from Brooklyn to Los Angeles . . . . .	162
Exhibit 4.9 Anatomy of a Stadium Referendum Campaign . . . . .	167
Exhibit 4.10 Difference between Goods with Public, Merit, and Private Characteristics . . . . .	168

## Chapter 5: Principles of Economic Impact Analysis

Exhibit 5.1 The Conceptual Rationale for Commissioning Economic Impact Studies . . . . .	185
Exhibit 5.2 A Comparison of the Financial and Economic Returns to a City from an Amateur Softball Association Girls 18 & Under Class A National Softball Championship Tournament . . . . .	186
Exhibit 5.3 Projected Benefits to Interested Communities with Annual Amounts Extrapolated to a 30-year Time Frame Using Net Present Value Discount Rates of 5% and 10%. . . . .	187
Exhibit 5.4 Attendance Hyperbole of the London Marathon . . . . .	191
Exhibit 5.5 Elaboration of the Concept of Substitute or Recycled Expenditures. . . . .	192
Exhibit 5.6 Estimated Economic, Fiscal and Jobs Impact during the Period of Constructing the Metrodome Next Facility. . . . .	193
Exhibit 5.7 Importance of Spring Training on the Visitation Decision, Out-of-Area Visitors . . . . .	198
Exhibit 5.8 Measuring the Influence of a Sport Event in Visitors' Decisions to Go to a Destination . . . . .	199
Exhibit 5.9 The Multiplier Effect of Visitor Spending at a Sporting Event . . . . .	201
Exhibit 5.10 Average Multiplier Coefficients across Six Visitor-Related Sectors in a Texas City of 90,000 Population . . . . .	203
Exhibit 5.11 Size of Multiplier is Likely to Reflect Size of Geographic Area . . . . .	205
Exhibit 5.12 Personal Income Multiplier Coefficients in Three Cities of Different Sizes . . . . .	206
Exhibit 5.13 Anatomy of a Mischievous Economic Impact Study . . . . .	210
Exhibit 5.14 The Economic Impact of a City Festival by Non-Residents, Excluding Casuals and Time Switchers, Using an Income Multiplier . . . . .	213

Exhibit 5.15 A Spurious Measure of "Economic Impact" which Includes Casuals and Time Switchers among Non-Residents, and Incorporates a Gross Sales Multiplier . . . . .	214
Exhibit 5.16 A Spurious Measure of "Economic Impact" which Includes Residents, Casuals, and Time Switchers, and Incorporates a Gross Sales Multiplier . . . . .	214
Exhibit 5.17 U.S. Counties with the Highest Level of Professional Sports Employment when Expressed as a Percentage of All Jobs. . . . .	219
Exhibit 5.18 Expenditures at 14 Sports Tournaments . . . . .	223

## Chapter 6: Costs: The Rest of the Economic Impact Story

Exhibit 6.1 Compiling a Benefit-Cost Analysis . . . . .	229
Exhibit 6.2 Opportunity Costs of the Athens Olympic Games . . . . .	231
Exhibit 6.3 A Taxonomy of Opportunity Costs Associated with Investments in a Major Sport Facility . . . . .	234
Exhibit 6.4 Elements in Successful Super Bowl Bids by Atlanta and Minneapolis . . . . .	235
Exhibit 6.5 USA/ASA 16U Girls Fast Pitch National Tournament Budget . . . . .	236
Exhibit 6.6 The Miami Marlins' New Stadium . . . . .	241
Exhibit 6.7 Creating Blight to Reduce Costs of Expanding a Major Sports Facility. . . . .	245
Exhibit 6.8 The Nets Barclays Center, Eminent Domain, and a Developer's Masquerade. . . . .	246
Exhibit 6.9 Increases in Delhi's Cost Estimates for Hosting the Commonwealth Games . . . . .	249
Exhibit 6.10 The Consequences of Overestimating Revenues and Costs for the New Basketball Arena at the University of Oregon . . . . .	251
Exhibit 6.11 Assumptions for Recurring Stadium Events at the Proposed New "Metrodome Next" Facility. . . . .	259
Exhibit 6.12 Illustrating the Cost of the Roster Depreciation Allowance to U.S. Taxpayers . . . . .	262

## Chapter 7: Long-Term Legacy Rationales for Public Subsidies

Exhibit 7.1 The Renaissance of Indianapolis . . . . .	272
Exhibit 7.2 The Industrial Cluster Stimulated by NASCAR . . . . .	275
Exhibit 7.3 The Sport City Legacy of the Commonwealth Games in Manchester, England . . . . .	276
Exhibit 7.4 Development of Petco Baseball Stadium . . . . .	280
Exhibit 7.5 The Increase in Tourism a Decade after Barcelona Hosted the Olympic Games . . . . .	287
Exhibit 7.6 The Minnesota Twins as Part of the Community Fabric . . . . .	290

Exhibit 7.7 The Role of Cricket in Creating National Pride on the Sub-Continent. . . . .	292
Exhibit 7.8 Key Elements of a Contingent Valuation Survey. . . . .	297
Exhibit 7.9 Social Capital Value of the Pittsburgh Penguins . . . . .	297
Exhibit 7.10 A Community's Willingness to Pay for New Facilities . . . . .	298
Exhibit 7.11 Public Investment Supported by Total Willingness-to-Pay for a New MLB Stadium in Portland . . . . .	299
Exhibit 7.12 Level of Public Investment for an MLB Stadium in Portland Supported by Social Capital . . . . .	300

## Chapter 8: Sources of Public Sector Funding

Exhibit 8.1 Types of Property that May be Subjected to Property Taxes . . . . .	311
Exhibit 8.2 Tax Calculation Examples . . . . .	313
Exhibit 8.3 Property Tax Protest and Appeals Procedures . . . . .	314
Exhibit 8.4 Budget Leaves Property Tax Alone: CS Plan Won't Raise Property Tax Rate. . . . .	315
Exhibit 8.5 Calculating the "Effective" Tax Rate . . . . .	316
Exhibit 8.6 Comparing Types of Taxes: Averages for All States . . . . .	319
Exhibit 8.7 Illustrating the Regressive Nature of Sales Taxes . . . . .	319
Exhibit 8.8 Illustrating the Regressive Nature of Property Taxes . . . . .	320
Exhibit 8.9 A Comparison of Shares of Family Income Expanded for State and Local Sales and Property Taxes by Non-Elderly Taxpayers in California and Texas. . . . .	321
Exhibit 8.10 The Regressive Impact of Lotteries . . . . .	324
Exhibit 8.11 Player Income Tax Rates in Selected U.S. Cities. . . . .	325
Exhibit 8.12 A Comparison of Two Common Types of Bond Retirement Schedules: A: Straight Serial Method . . . . .	321
B: Graduated Serial Method. . . . .	332
Exhibit 8.13 Long-Term Credit Ratings by Moody's, Standard & Poor's, and Fitch . . . . .	334
Exhibit 8.14 Bond Ratings for General Obligation Bonds in 10 Cities with Sport Franchises . . . . .	335
Exhibit 8.15 The Yield Required on a Taxable Investment Equal to the Yield on a Tax-Exempt Investment for Four Different Tax Rates . . . . .	336
Exhibit 8.16 Comparison of Interest Rates of AAA Rated Municipal and Corporate Bonds at Two Different Time Periods . . . . .	337

Exhibit 8.17 The New York City Tax-Exempt Bond Loophole . . . . .	338
Exhibit 8.18 Types of Debt Financing . . . . .	340
Exhibit 8.19 Psychologically Repositioning a Bond Proposal for a \$2 Million New Natatorium . . . . .	341
Exhibit 8.20 Developing a Softball Complex with Revenue Bonds . . . . .	344
Exhibit 8.21 Financing Golf Facilities with Revenue Bonds . . . . .	346
Exhibit 8.22 Steps in the Issuance of Certificates of Participation . . . . .	349
Exhibit 8.23 Vadnais Heights Sports Center COPs Revenue Bonds Default . . . . .	351
Exhibit 8.24 Tax Increment Financing . . . . .	354
Exhibit 8.25 Using TIF to Fund an Arena . . . . .	355
Exhibit 8.26 The Asset Backed Securities Path to Bankruptcy . . . . .	361

## Chapter 9: Implementation of Public-Private Partnerships (P3s)

Exhibit 9.1 A Comparison of Costs Incurred by a Public Agency or Nonprofit Organization and a Private Athletic Club on a \$3 Million Facility. . . . .	372
Exhibit 9.2 Defeat of a \$25 Million Bond Proposal for a Family Recreational Center. . . . .	373
Exhibit 9.3 Complementary Assets that the Public and Private Sectors Can Contribute to Joint Venture Collaborations . . . . .	376
Exhibit 9.4 A Backlash to the Commercialization of Parks. . . . .	377
Exhibit 9.5 Using Land to Pump Prime a Golf Development . . . . .	379
Exhibit 9.6 China Basin Planning Process . . . . .	381
Exhibit 9.7 The Emergence of Skateboard Park Management Companies . . . . .	385
Exhibit 9.8 Who Are You Going to Hire to Mow Athletic Fields? . . . . .	386
Exhibit 9.9 Public-Private Partnership (P3) Development Models . . . . .	389
Exhibit 9.10 Failure to Maximize the Return on an Asset Owned by Taxpayers? . . . . .	389
Exhibit 9.11 Types of Lease Structures. . . . .	390
Exhibit 9.12 Sources of Revenues Used as Lease Payments to Public Partners at Major League Facilities . . . . .	390
